

Free Community Workshop on:

How do we foster great parent-child interactions & healthy attachments?

Join us for an invaluable workshop to explore relationship based strategies to create healthy and positive parent-child bonds.

Tuesday 21 February at 6pm

Held at Nursery School, ISTCI

Presented by Eviann Barber, MA. BA. CCLS

- Learn the 'Observe, Listen, Wonder and Respond' techniques
- Find new ways to help toddlers maintain healthy secure attachment
- Take a closer look at infant mental health and nurturing relationships
- Learn how to identify securely and insecurely attached children
- Explore ways to create trust, read children's cues and respond effectively

**Aimed at parents and caregivers
of all age children.**
